Maps: ISOM 2017-2 is used. **Take care at the scale!**

On the **race 1** and **2** the scale of the map is **1:10.000/5 m.**

On the **race 3** the scale of the map is **1:7.500/5m.**

Each day the maps are printed on waterproof paper. They have **A4** format.

The **control descriptions** are printed on the map. **Additional control descriptions** are avaible at start area.

On the **race 1**, classes **M18, M20, M21, W18, W20** have butterflay routes. Competitors with even starting numbers have route A, and those with odd starting numbers have route B. Variant A or B will be displayed near to the category on the Start numbers.

Race 3 is of Score type. The points marked with the serial number (1-30) must be touched in the obligatory order, the points marked with the code only (31-67) in the optional order.

Control system: The electronic SportIdent system is used. A backup needle punch is present at each control. The punch will be used in the reserve boxes on the map. This will be used if and only if the electronic device does not function (there is no beep and no flash).

There is confetti at each control, in order to mark the place if the electronic device disappears.

Additional **Marked routes:**

There are **white-blue** (plastic) markings from the „**Event center**" **(EC)** to the „**Start**".

There are **white-red (**plastic**)** marked routes from the "**Finish**" to „**Event center**"(EC)

Distances appear at Technical Data.

The courses for the 10 years categories have **white-red** marked routes.

Refreshment points: only in the Event Centre. There are no refreshments at the „Start" area.

On the **race 1 (LD)** for courses longer than 5 km water is provided in one place marked on the map. No buffet and no showers in the Event Centre area.

First aid: only in the Event Centre area.

Toilets: There will be toilets next to the **Event Centre areas**.

Start procedure: It is compulsory to wear the start-bib given by the organizer. Optional A4 plastic bags and additional control descriptions will be available in the start area. The organizers don't provide materials for the competitors to fix the control descriptions. The organizers don't provide the transport of the clothes and bags from the "Start" to the "Event Centre" area.

Check-in to the Start: Competitors must check-in two minutes before their start time. There are consecutive start boxes. The runner reports oneself when the first box event's clock shows his start-time from the start-list. In the first box (1 minute) the organizer will verify the number of SI-card and the start-time, the runner makes the **CLEAR** and **CHECK** operations of the SI-card.

The **start time** is given by the **START** station device, when the competitor puts in his/her SI-card. The map is picked up by the competitor after the START. The competitor is responsible for picking up the right map for his/her category. It is obligatory to follow the marked route to the start point which is indicated by a control flag on the terrain and by the triangle on the map.

Finish area: Introducing the SI-card in FINISH station is required.

The FINISH station is not in the Event Center. Follow the white-red marked route to the Event Centre (840m Race 1, 250m Race 2 and 200m Race 3).

SI-card reading is in Event Centre.

From the „Finish" to the officials' desk to download the SI-card, competitors will walk. Don't leave the officials' desk if there is any unresolved problem. Competition maps will be not collected after the races. Please, respect FAIR PLAY!

All runners are required to download the SI-card in Event Centre even if they did not finish the course, otherwise they will support the cost of seeking action.

Removing of controls begins at:

Race 1: **15:00**, Race 2: **13:00**, Race 3: **13:00**,

Prize-giving Ceremony in the **Finish area**:

Sunday, 19th of July, **13:30 h**:
